# Online Configurator – “Build A Bumper”

To get there:

3. “Use our configurator”

A screenshot of the Alliance Truck Parts website. The top navigation bar includes the logo, 'HOME', 'PARTS', and 'DEALERS', along with a search bar. The main heading is 'CHASSIS COMPONENTS'. Below this, there are links for 'BUMPER CATALOG' and 'FUEL TANKS CATALOG'. A sidebar on the right contains 'FIND A PART' and 'FIND A DEALER' search boxes, and a 'SUBSCRIBE FOR UPDATES' sign-up box. The main content area is titled 'BUMPERS' and features two images of truck bumpers. The text describes the online configurator, with the phrase 'Use our configurator' highlighted in a red box. A bulleted list at the bottom provides additional details about the bumper options.

## BUMPERS

Alliance Truck Parts makes finding the perfect bumper easy with our industry-leading online configurator. **Use our configurator** to quickly select from our huge variety of styles and finishes while specifying details like step, vent and hitch placement, and extras such as fog lights. Plus, the configurator will help guide you to a selection that properly fits your make and model of truck. Decking out your rig has never been easier.

Put your pride for your truck on display with the perfect bumper. Whether you're replacing a damaged one or looking for a unique custom option, Alliance offers an unlimited selection of bumpers to fit every make and model of heavy-duty truck.

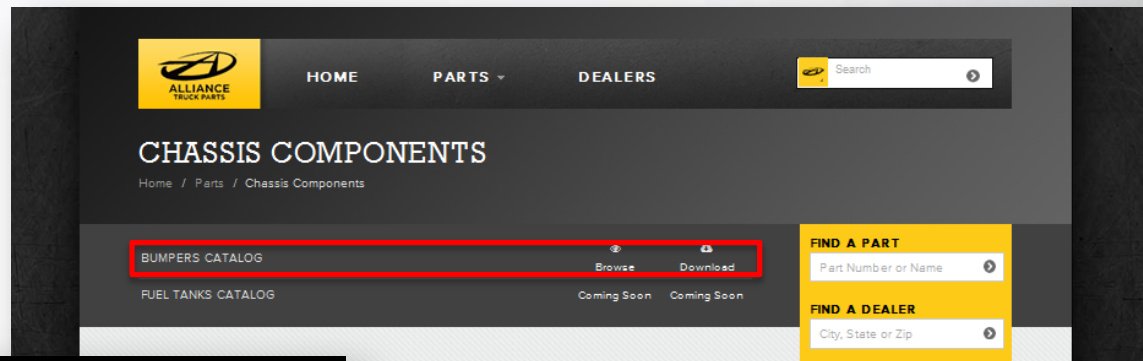

- Manufactured in the U.S.
- Most styles are available in stainless steel, painted steel and chrome finishes
- Nearly unlimited variety with Alliance's robust custom order program, including:

# Cross References
